

International Roaming Telstra

International Roaming – Telstra Mobile

Information about the service

Here's a quick summary of all the important bits about your Postpaid Telstra Mobile International Roaming Service.

It covers things like the charging structure for voice calls, cost of data, SMS and MMS when you are overseas.

International Roaming charges apply to your post-paid mobile phone service when you use it in countries outside Australia. It gives you access to mobile phone networks, your mobile phone number, and lets you make and receive calls, send and receive messages, and access mobile data.

What's Included and Excluded?

International Roaming charges apply to usage of call, messaging and data services, including receiving calls and MMS messages.

Information about pricing

Usage of your Mobile in countries outside Australia is charged outside of your standard monthly Access fee. Rates for different services vary from country to country, according to the tables below.
